Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Yearling Books, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. What begins as a training run with sled dogs turns into a race against time for Tatum and her new friend, a Siberian Yupik boy named Cole. When a freak blizzard hits this remote island off the coast of Alaska, the duo seeks shelter overnight in a dilapidated hunting cabin. Their harrowing ordeal goes from bad to worse when wind-driven snow forces them to risk an alternate route. Stranded in the untamed wilderness, they must rely on each other--as well as their faithful huskies--to survive sub-zero temperatures and bone-numbing exhaustion. Worse still, their food supply is dangerously low. The most daunting decision comes when the strongest dog runs away. One person must go for help, while one must stay behind. Either way, they'll both be alone in the wild for an uncertain amount of time.
