LAP Lambert Academic Publishing Nov 2013, 2013. Taschenbuch. Condition: Neu. Neuware - The focus of present research work was to investigate the perceptual learning styles of the students on the basis of gender and achievement level. Data was collected from the University of Agriculture, Faisalabad by using stratified sampling technique. Statistical Package for Social Sciences (SPSS) was used for data analysis. Microsoft Excel was also used for data analysis. Frequency percentage, chi square two way ANOVAs and mean standard error were used for data for data analysis. It was found after data analysis that majority of the students have multiple perceptual learning styles preferences. Except the group learning style, there was no significant difference was found on the basis of achievement level of the students. 100 pp. Englisch.
